

Early Education SERVICES

Family Services Manager

Join our Senior Management Team as our Family Services Manager to make a difference in the lives of Windham County families each year!

You will oversee the family services programming for Head Start, Early Head Start and the Parent-Child Center of Windham County, be a member of our dynamic administrative leadership team, manager of comprehensive services delivered to nearly 300 families and supervise 11 key family services employees who provide family support through an array of services.

Our successful candidate will have at minimum, a Bachelor's Degree in social work or related field, demonstrated knowledge, experience and understanding of family systems, human development and case management coordination, as well as supervision and management experience.

Full-time position, excellent benefits. Resumes for this opportunity will be accepted through May 21, 2018. Submit resume and letter of interest to: eesjobs@wsesu.org with Family Services Manager in the subject line.

***Early Education Services is an equal opportunity employer.
We encourage applicants who could add diversity to our educational community.***
