

FAMILY SUPPORT SPECIALIST

Early Education Services is seeking a Family Support Specialist to work with families enrolled in our program. The Family Specialist provides parents with child development information and activities in the home, parenting support, referrals to community resources and promotes parent engagement in their child's educational experience. A background in social services or related field, at least 21 early childhood credits, and experience working with diverse families with young children is essential, AA required, BA preferred. Experience facilitating and organizing groups a plus. Reliable transportation and a valid driver's license required. The qualified candidate will join our team of dedicated family support staff providing comprehensive services to Early Head Start and Head Start families. EES offers a competitive salary and excellent benefit package.

Please submit resume and three references to:

Family Services Manager
